Now a little about ***S.I.P. Martial Arts Photography***

- All of the ***S.I.P.*** photographers shooting martial arts schools are experienced martial arts with at least one ***black belt*** and experience ***photographing martial arts***. We know what good martial arts look like and we know how to help your students look their best.
- Parents and students will be able to see their photos the day of the shoot and will know exactly what they are ordering.
- Because ***ALL*** of our photo processing is done in house, we have a very quick turn around. You can expect your photos in about 10 to 15 business days and your Metal Plaque within one month.
- We do have ***3 requirements***. Schools must schedule a minimum of 15 students for a photo shoot. We require a 15 x 30 foot space to set up and shoot with access to two electric outlets, with additional space for students and parents. The instructor or representative from the school must be present the entire time of the photo shoot.
